# Snow Globe Snack Cups

## Ingredients:

Small, round plastic cups (like small snack containers with lids from Gladware)  
Small snack food (Goldfish, Teddy Grahams, chocolate chips, dried fruit, trail mix, etc.)  
Dry Coconut (\*for "snow" - usually in baking or trail mix section of grocery store)

## Directions:

1. Fill snack cups with desired treats (Tip: don't use fresh fruit because coconut pieces will stick to fruit juices and won't flutter).
2. Scoop dry coconut shreds into each snack container (approximately 1 Tbsp per cup - don't use too much or you won't see the snacks inside).
  3. Place lids on top.
4. Turn over (and over and over and over!).
