## TUESDAY, MARCH 10

"Regarding the relationship between husband and wife: "I would go so far as to say that there is never a reason to be unkind. There may be reasons to disagree. There may be reasons to struggle. After all, two wills are merging into one. There are constant compromises and surrenders demanded, but there is never a reason to be unkind."

## WEDNESDAY, MARCH 11

"We often think being stressed gives us an excuse to say whatever we want. It is what we need more than anything.”
